PROFESSIONAL PROFILE

Motivated and detail-oriented Web Developer with a strong academic foundation in web technologies, mobile application design, and core computer science principles. Experienced in building responsive, user-friendly website interfaces with a focus on clean design and modern front-end practices. Proficient in HTML, CSS, JavaScript, and responsive design, with hands-on exposure to OOP, C++, SQL, Oracle, and network simulation tools. Eager to leverage academic lab experience and portfolio projects to contribute effectively to a professional development team.
